# Second Annual Report.

The Board of Managers of the "Employment Society of St. Mark's Church," Philadelphia, respectfully present their Second Annual Report, to which they invite the attention of all those interested in the work and well-being of the Society.

The following statistics will show what has been done in the last year :

Amount received from 73 subscribers, .	\$500 00
" " " Donations, .	111 01
" " " Selling Committee, .	493 73
" on hand, November 1, 1870, .	83 36
	<hr/> \$1188 10

Amount paid to Purchasing Committee, .	\$506 31
" " " Paying Committee, .	505 50
" " for Printing, .	40 00
" of Cash balance on hand, .	136 29
	<hr/> \$1188 10

Number of articles made, . . . . .	1142
" " sold, . . . . .	982
" " on hand, . . . . .	191
" women to whom work was given, .	49

In addition to the good done to poor women, by providing them with sewing, for which a good price is paid, the Society disposes of the articles thus made for the mere cost of the material. It is enabled to sell the garments so low, because the annual subscriptions pay for the making of them, and the Society only desires to replace its outlay for the material used. In a great measure, the successful working of the Society depends upon these sales. The stock consists mostly of towels, holders, aprons, and under-garments. And it is hoped that the members of the parish who are not engaged in the active work of the Society, will help it, either by giving orders for such work as the women are capable of doing, or by purchasing for the poor the articles which the Society has for sale.
